2016 CERTIFICATE OF REGISTRATION AND/OR DENIAL FOR COMMERCIAL FEED PRODUCTS

Certificate Number: 3090
Certificate Generated Date: 3/31/2016

Director of Agriculture
Celia R. Gould

Under authority of the director of the Idaho State Department of Agriculture (ISDA), This document certifies that the COMMERCIAL FEED(S) listed on the following page(s) have been either:

1. **Registered:** Product(s) that have been registered for the current year through September 30 2016 may be distributed, as registered, into or within the state of Idaho unless modified or cancelled upon further review by ISDA. Currently registered products are listed on this certificate as 'REGISTERED' or 'REGISTERED WITH COMMENTS.'

Note: Some products may be registered with comments. Any product so designated will require the submission of a revised label before the next registration period, or a written statement from the registrant declaring when the revision will be printed and implemented. Details pertaining to each product are contained within the ISDA "Tracking Form" accompanying either this certificate or the certificate issued when the product was initially registered with comments. Products registered with comments are listed on this certificate by product name with a status of 'REGISTERED WITH COMMENTS'.

OR

2. **Denied:** Products that have been denied registration are not authorized to be distributed into or within the state of Idaho. Any person distributing a product for which registration has been denied is in violation of Idaho law and is subject to regulatory sanctions including, but not limited to, civil penalties. Details pertaining to each product are contained within the ISDA "Tracking Form" accompanying either this certificate or the certificate issued when the product was initially denied. Denied products are listed on this certificate by product name with a status of 'DENIED.'
